

BOARD OF DIRECTORS

Thunder Bay Regional Health Sciences Centre

The Board invites interested regional and community residents to consider serving as a member of the Health Sciences Centre Board of Directors.

At the annual meeting of the Corporation on **June 19, 2008** there will be five vacancies on the Board to be filled.

- Four 3-year terms, nominations pursuant to Section 10 of the By-laws
- One 2-year term, nominations pursuant to Section 10 of the By-laws

We are looking for volunteers from our community and region:

- who are **committed** to strong regional healthcare services,
- who **believe** in the importance of leadership and commitment,
- who will bring a **motivated perspective** to the Board,
- whose **values are consistent** with the Health Sciences Centre's,
- who have a history of **community leadership**,
- who have **financial and business acumen**,
- who have **strategic planning** and visionary skills, and
- who have the **time** necessary to be a **productive** Board member.

Initiatives such as the development of a regional health care network and information system, and physician recruitment and retention make this an exciting and challenging time to be a member of the Board.

Candidates should forward a resume and a letter of interest by Friday, March 28, 2008 to:

Chair, Nominating Committee
